**Foot Notes:**

Because of the tremendous response we have had to our sale catalog and flier, we have decided to offer one of our top show heifers and the first daughter of EZ Chunky Monkey 18S.

Monkey Business 5U is a stout topped, big hiped and easy fleshing fullblood show heifer with lots of power and natural thickness. Her dam Sadie 10S is an own daughter of the great Lexus out of the Lady Jane cow family, a Beau Lad daughter that now resides in the Winner Maker herd in Colorado. Monkey Business is co-owned with Schmit Farms, Oakes, ND.
