EZ Gusto 305X

These exciting Gus calves could be carrying a red gene and are certainly carrying plenty of power in their jeans!

EZ Red Baroness II 119X

She is a half sister (by Red Baron) to last year's Supreme Lowline Exhibit at the NAILE Show in Louisville, EZ Red Baroness 103W.

Quarterblood Lowline X Charolais cow with a powerful, heavy-topped Gus 5/8 calf at side – this is what the Lowline business is all about!

EZ Maggie 33P

The 2006 National Champion is a champion producer – how much soundness, femininity, muscle, udder quality, length and depth can you put in one package?

EZ Captain Jack 1X

The first Jackaroo calf to sell at public auction nearly breaks the record price for a fullblood in the US – \$14,500 for half interest. Thanks to Heaven Sent Ranch, Ciolek Family Cold Spring Farm and Jamie & Wendy McDonald!
