GREAT FRIENDS | GREAT CATTLE | GREAT FUN!

Friday and Saturday,  
**June 4 - 5, 2010**

Bismarck, ND

*Selling 61 Lots of Lowline Cattle*

# Effertz EZ Ranch Discover Lowline Weekend

## OFFERING 61 LOTS OF LOWLINE CATTLE

14 Fullblood Heifers  
14 Yearling Heifers  
20 Percentage Pairs

2 Egg Baskets  
11 Herd Bull Prospects

Friends,

It has been a great year for the cattle business and a great year for Lowlines. People are finally starting to get it. Instead of saying (and I mean saying, not asking) "Sure, they are small but what are they good for?", they are now asking things like "How can Lowlines help me reduce my cow size and my costs?"

For the first time this spring we sold 15 Lowline bulls, mostly fullbloods, to one large scale commercial beef operation to put on their first calf heifers. Our phone has been ringing off the wall with questions from folks new to the breed that are particularly interested in grassfed beef production.

At the Grassfed Exchange in Yankton this spring it was evident to all of the 300 - 400 attendees that the Lowline - cross cattle were the easiest fleshing cattle there. Many experts touted the efficiency of frame score 4 cattle which are exactly what halfblood to 3/4 Lowline genetics produce.

The glowing reports about the high quality, high yielding, fine textured Lowline beef carcasses continue to come in from all over the country. Consumer demand for all natural, source verified, grass fed beef is soaring.

Our customers are reporting no calving problems, significant cost reductions, especially for cow herd maintenance and health issues. They have had great success in beef production and in the show ring. The current National Champion Bull is out of a cow sired by EZ Railway out of EZ Tinkerbell, a daughter of EZ Fantasia. The Grand Champion Fullblood Female at Louisville was an alumni of last year's Discover Lowline Sale. The Supreme Lowline Exhibit and Grand Champion Percentage Female at Louisville was EZ Red Baroness, purchased from us by Melinda Houttuin last summer.

We've had a pretty good year ourselves in the show ring, winning Reserve Champion Fullblood Female at the Iowa State Fair last August and Reserve Champion Fullblood Bull at Kansas City in October. EZ Update went on to be named National Champion Summer Yearling at Denver.

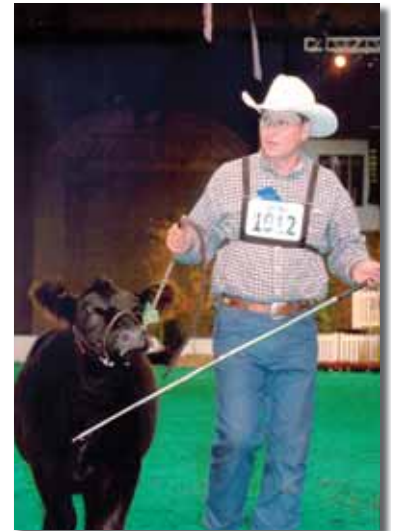

This year's sale is packed with great genetics. I have said many times as we have put the catalog together "I have no business selling a cow this good." but that's how you keep good customers coming back for more. This is the best and most diverse offering of herd bulls we have ever offered. Check out the videos on the website for a more current look at them!

We have a great program, exciting speakers and once again, the food and friends will be second to none.

Please call if we can help accommodate any of your needs.

Sincerely,

Neil Effertz

# EZ Ranch Discover Lowlines Production Sale

**Saturday, June 5 • 1:00 PM**  
 On the ranch, Bismarck, ND  
**Sale day phone: 701-223-5202 • 701-471-0153**

**BREEDING PRIVILEGES:**

For each female lot purchased, the buyer will be entitled to two straws of semen from any Effertz EZ Ranch herd bull for use on that female. The certificate to register one calf out of the female purchased at the sale will be provided to the buyer at no additional cost. For more details, refer to the inside back cover.

**DIRECTIONS TO THE RANCH:**

Effertz EZ Ranch is about 16 miles north of Bismarck, ND on Highway 1804. From Bismarck, take Highway 83 north for 4 miles to the junction of Highway 1804. Stay on Highway 1804 for 12 miles as you go west then north along the Missouri River. The ranch is on the west side of the road between mile markers 95 and 96.

**SALE HEADQUARTERS:**

We have arranged for rooms at the AmericInn in Bismarck, 701-250-1000. Ask for the EZ Ranch Cattle Sale rate.

**SPECIAL REPRESENTATIVES:**

**KRIS PETERSEN**, CATTLE BUSINESS WEEKLY  
 701-339-0305 CELL  
**DEAN PIKE**, AMERICAN LOWLINE REGISTRY  
 303-810-7605 CELL

If you are unable to attend the sale and would like to discuss the sale cattle, we urge you to call Dean Pike. He is an experienced cattleman and field representative and a new valuable resource for Lowline breeders. He will discuss the sale cattle with you and help you with your selections. You are also welcome to call Kris Peterson or Neil.

**HERD HEALTH:**

Open heifers and cows have all been calthood vaccinated for bangs. The open heifers have had our preweaning vaccination program of Virashield 6 plus Somnus and Ultrabac 7. Post calving, the cows have had Bovashield Gold FP5-VL5. All cattle have been poured with a generic ivomectin for insects. All calves have been vaccinated with moraxilla bovis for pinkeye.

**ONLINE UPDATES:**

Please refer to our website [www.loala.com](http://www.loala.com) for video of some of the sale cattle. **New photos** will be posted as well. **Weights and frame scores** will be posted on all the cows.

**CAN'T ATTEND THE SALE? WATCH AND BID ONLINE!**

Real-time bidding is available via the internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. Buyer accounts must be created two days prior to the sale. Please visit [www.LiveAuctions.tv](http://www.LiveAuctions.tv) to create a free account, request a buyer number and familiarize yourself with the bidding procedure. If you have difficulty during the sale, call the sale day phone 701-223-5202 or 701-471-0153.

**Web Address** ..... <http://www.LiveAuctions.tv>

**TRUCKING:**

We will assist buyers in coordinating transportation.

**INSURANCE:**

Livestock insurance will be available at the settlement desk for those buyers wanting to insure their purchases. We ask any buyers who leave their purchases at the ranch more than a day or two to insure them.

## 4th Annual Discover Lowlines Schedule of Events

**Friday, June 4**

**2:00 p.m. Breeders' Seminar**

Our Discover Lowlines Weekend Breeder Seminar will feature experts in several phases of grass fed beef production:

**Dr. Bryan McMurry**, consultant for Cargill Animal Nutrition and RFD-TV contributor will speak about "Reducing Cow Size to Improve Profitability."

**Dr. Kris Ringwall** with seven years of research experience utilizing Lowline cattle at the NDSU Dickinson Research Center will summarize the use of Lowline genetics in strategic breeding systems to lower your maintenance costs and improve profitability.

**Josh Dukart**, USDA Natural Resource Conservation Service and Technical Coordinator, North Dakota Grazing Land Coalition will discuss "Strategies to Improve Soil Health."

**John Dhuyvetter**, NDSU Extension Beef Cattle Specialist, will offer his thoughts on "Dollars and Sense" regarding the financial implications of developing a breeding program and marketing strategy to optimize the use of Lowline genetics for the purpose of reducing your cow size and lowering your maintenance costs.

**6:00 p.m. Lowline Beef Supper and Social**

**7:00 p.m. Completion of Breeders' Seminar**

**Mike Hudlow**, Lowline breeder and Vice President of PRO\*CAL, Inc. has had over 20 years of experience in beef cattle nutrition including 7 years in technical sales with Purina. He will be speaking on "Feeding Cattle for Reproductive Performance."

The Hudlow Family

**Saturday, June 5**

**9:00 a.m. Pre-Sale Hospitality**

Have a cup of coffee, look at the sale cattle, chat with our son, Karl Effertz, about his trip to Australia and the Sydney Royal Lowline Show.

**10:00 a.m. Fitting Demonstration**

Watch an expert take a heifer from the pasture to the show ring.

**11:30 a.m. Lowline Beef Lunch**

**1:00 p.m. 4th Annual Discover Lowlines Sale**

Following the sale be sure to stay for ranch tours and supper. It's time to relax!

Karl Effertz at the 2010 Sydney Royal Easter Show

SC Gus is a red gene carrier who is a long and deep-sided son of Buzz out of the true red gene carrier brood cow, ALM Bess 102H. We are thrilled with his first calves - they are thick topped with plenty of length and great confirmation. My dad always said, "Worry about the quality first, then the color." These Gus calves have the quality.

Update, a standout from the day he was born, is a paternal brother to the 2010 National Champion bull and a maternal brother to EZ Fancy Pants 12R. His dam has consistently produced some of our most marketable calves that have gone on to become herd bulls and donor quality females for the breed's leading herds. He is an 8 out of 10 for tenderness on the Igenity DNA test and measured a fantastic 15.1" REA at 1060 lbs. at 19 mo.

Lady Luck has been one of our most popular and attractive donor cows. She was named by Dr. Dan Nichols, Kansas State University Animal Science Professor, as the Grand Champion Low-line Female at the 2004 American Royal Stock Show and Reserve National Champion Female in 2005. Her sire Magnum also sired the 2006 National Champion Female.

She has gone on to produce the 2009 Houston Stock Show Grand Champion Female. She is a fantastic donor cow who produces exciting show cattle by a variety of bulls. They all seem to possess her style, balance and clean lines. She sells open and ready to flush. We will sell half interest or you can double the bid and buy her all.

Prairie  
40H

Prairie 40H has produced over \$32,000 in live animal sales and over \$20,000 in embryo sales. She produces great bulls as well as great females. For a Lowline, she's a large framed, big bodied cow with worlds of volume and excellent fleshing ability. Her son by Machine sells as lot 54. She has produced as high as 21 good embryos in one flush! She's a great, high yielding, high income donor cow. Her dam is a maternal sister to ALM Bess 102H. She is open and ready to flush.

Midshipman M206  
Brambletye Felicity J167

This long-sided Lisbon heifer is a daughter of one of our early show champions. Penny won the National Show in 2001. Her sister sold to Bruce Ankeny in Idaho out of the 2007 National Sale. She is loaded with tremendous carcass genetics. This is the kind of female that will produce a herd bull for a grassfed beef program.

He is the sire of several calves in the sale.

EZ Titan 7TP FM6146

Fullblood son of EZ Lisbon 29L and Lady Luck 51N. He is a sire of several calves in the sale.

## Terms and Conditions

**Terms:** Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

**Insurance of Purchases and Risk:** All animals are the seller's risk prior to their sale and become property of the buyer as soon as declared sold by the auctioneer. Arrangements will be made to have insurance available when making settlement. Cattle left at Effertz EZ Ranch after the sale must be insured by the purchaser.

**Bidding:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

**Health Papers:** Our vet will be on hand to write interstate health certificates.

**Registration and Transfer:** All animals sell with registration papers from the American Lowline Registry and will be transferred after the sale at the seller's expense.

**Announcements:** Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained in the catalog.

**Breeding Guarantee:** Bred females in the sale have been pregnancy examined by a veterinarian and found to be safe in calf. Bred females and females with calves at side are considered to be breeders and no further guarantee applies. The open heifers selling are guaranteed to be breeders. If a female appears to be a non-breeder within 6 months of the sale (or within 6 months of when

she reaches breeding age) she may be returned to the seller at the buyer's expense. The seller will then reserve the right to prove the animal a breeder within a six month period, using any fullblood registered Lowline bull of his choice through AI or natural service. If successful, seller will return animal to buyer, again at buyer's expense. Should the animal fail to prove a breeder, the seller at his option may either return the purchase price to the buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall the seller be responsible for more than the purchase price.

In case the animal in question should develop to be a problem breeder due to negligence or improper management by the buyer or if the female has been subjected to any hormonal or surgical reproduction techniques, the seller's guarantee does not apply. No guarantee is given that bred females will deliver a live calf. No guarantee is given that a female will produce eggs suitable for transplant.

All bulls are semen tested. No guarantee is given that a bull will produce semen that will freeze.

**Liabilities:** All persons who attend the sale do so at their own risk and Effertz EZ Ranch assumes no liability for any accidents that may occur. Neither does Effertz EZ Ranch assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God.

**Contract:** The above terms and conditions shall constitute a contract between the buyer and the seller of each animal sold.

**Mail bid:** Mail or wire bids may be furnished. Bids must be in the hands of the sale staff in ample time prior to the sale and will be handled in strict confidence.

# Effertz EZ Ranch Breeding Privileges

Each female lot in the sale sells with breeding privileges to any Effertz EZ Ranch herdsire. Effertz EZ Ranch will provide two units of semen and one AI certificate for one calf out of the cow purchased in this sale. Shipping costs for the semen will be the buyer's responsibility. Buyers are welcome to bring their semen tanks to the sale and pick up semen then. Because of the extremely limited supply, Beau Lad semen will not be available for breeding privileges. The sexed heifer calf Lexus semen will not be available for breeding privileges and

Jackaroo semen is not available for breeding privileges.

Pictured here are many of our herdsires. Complete pedigrees are available on our website, [www.loala.com](http://www.loala.com), or call us for more information.

Semen is available on these bulls for \$25/straw. If you need to purchase semen and want to save shipping expenses, call ahead so we are sure we have what you need here in our tank and you can pick it up sale day.
